

REMEMBER

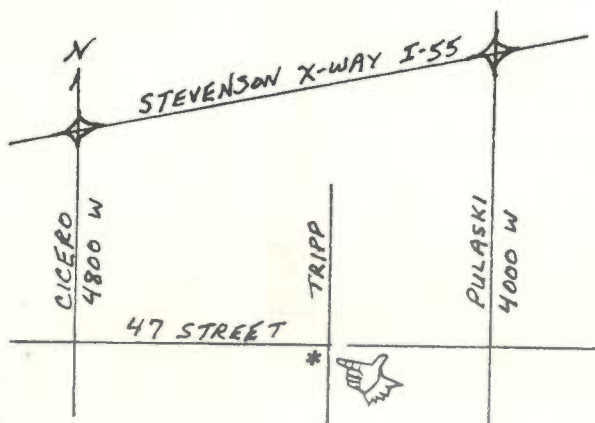

THE OWASIPPE STAFF ASSOC.....Vol. 7, No. 4.....November 1984

PIZZA NITE ★

This year's "pasta party" will be a repeat performance of '83 as it will be held at the Ted Stempien VFW Hall, 4235 W. 47 Street in Chicago (also known as the home of Troop 1650). Last year, the accommodations were more-than-adequate and the hosts were very cordial. It was a fine get-together.

If you were unable to attend last year, don't miss out again! There will be plenty of food not to mention the interesting presentations, the friendly conversations, and reuniting associations. A cash bar will also be available. OSA paraphernalia will be on sale, some camp and OSA slides will be shown, and the membership committee will be on hand to answer any questions.

Send in your \$5 advance reservation (\$6 at the door) to the PO Box 7097 A-S-A-P! Inquiries should be directed to the event chairman, Mike Finnegan, at 586-4260. A registration slip is on page 11.

Membership

Dues for 1985 (\$5) are now being collected. If you have not already done so, please consider registering prior to December 31 and before the Holidays soak up your cash. Dues and donations to the OSA are tax deductible within the limits of the law. Please consider paying for more than one year.

Life Membership is available for a one-time fee of \$100. The entire amount is invested into our membership endowment (Kemper Money Market Fund with a current interest rate of 10.73%). Not only will this method alleviate having to renew your registration again, but, as part of our membership endowment, it will provide interest income for the OSA in the years to come. There are presently 33 "Lifers". In 1983, the endowment fund provided the OSA with over \$325 that was used to offset organizational expenses.

Please remember that to vote in the forthcoming board election and to be sustained on the mailing list, dues must be up-to-date. If you have any questions, call our membership chairman, Mike Campbell, at 867-7215.

Now Hear This!

The OSA's 7th Annual Banquet will be held on Saturday, March 2, at Giannotti's Banquet Hall, 7709 W. Roosevelt (1200 South) in Forest Park. The evening's agenda calls for a family-style dinner, election of board members, special recognitions of service, induction of new operating officers, door prizes, dancing and plenty of socializing! This year's event will also commemorate Owasippe's 75th Anniversary, its "Diamond Jubilee".

The ticket cost has been set at \$20...if paid by February 16. After that date, the per-ticket price will be \$23. Reservations must be made in advance by check or money order payable to the OSA.

Tickets WILL NOT be sold at the door nor will phone requests be accepted. For further information, please call the co-chairpersons Phil "Chauncey" and Mary Beth Niziol at 562-4874.

So, mark your calendars and don't delay that reservation. We hope to see you there for another banner reunion!

FALL FIX-IT

by Joe Sener

Well, the OSA held its Fall Fix-It on October 5, 6, 7 and, for those of you who could not attend, it was a great time!

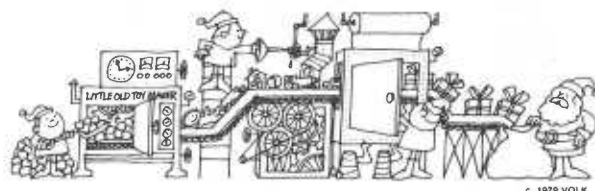

Our total participation was about 18 workers including some who we hadn't seen in some time, most notably Kurt (Animal Ball) Koegler. Kurt showed up with his wife and two children. It's been a long time Kurt...good to see you!

We all arrived sometime between Friday night and Saturday morning at the Reneker Family Camp where we were housed. Our crews painted the trim on six family cabins and reroofed all of the hot-pack stands at Camps Wolverine North and South. Meals were provided by the Association for all workers. This included a steak

dinner. There was a campfire for all of the folks at the Reneker fire bowl, and we were all then left to enjoy the balance of the weekend as we saw fit.

Special THANKS goes to Jim Schlichting for handling check-in on Friday night, to Linda Monahan and Linda Schlichting for shopping and delivering the food and for preparing the meals, and to Mike Sanchez, Terry Dwyer and Guy Gogliotti for their work on the campfire that nearly drove us back to the lodge.

In short, it was a terrific weekend, and we hope to see more of you next year.

PRESIDENT'S PERSPECTIVE

by Mark Behnke

We have reached that time of year when we, once again, ask our members to consider running for the Board of Directors. Many members feel somewhat hesitant to be nominated for various reasons. I would like to dispel a few myths about being a member of "the board".

This piece is always entitled "President's Perspective"...a very imposing title. I always feel humbled by this because I must wonder why anyone would want to know about my experience or insight. The only thing I can refer to is my last six years as a board member and officer of the OSA.

I first ran for office because I was asked to...a simple reason, yet a very important one. Encouragement from others makes us feel good and willing to accept new challenges. So, I ran, and I was elected. Then the real purpose and needs of the OSA became known to me.

I am often asked, "What does a member of the board do?" The answer is not easy and includes too many things to be written down briefly. The main goal of anyone in this position should be to help find new ideas and directions for the OSA and to maintain its day to day operation.

One of the most common jobs of the director is to worry... not in a fretful way but to be concerned with the success of functions, the achievement of goals, and the realization of dreams.

I said before that someone once asked me to run for office, and now I am asking all of you to consider the challenge of being an integral part of the OSA. All of us have ideas and abilities. What we need are those with the will

3

and enthusiasm to lead the Association and keep it vibrant.

The second time I ran for office was because I felt needed. It's a nice feeling. You can have it as well.

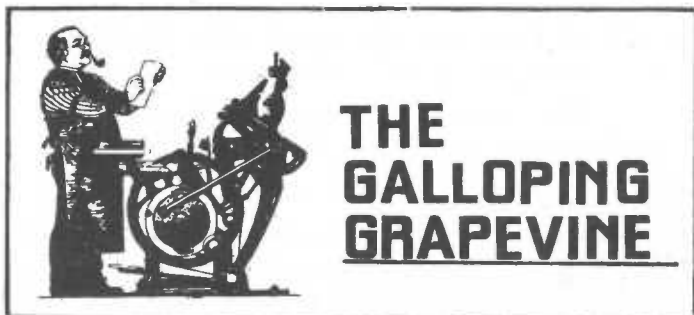

Let us give thanks...for all of our blessings, both large and small! May we recognize and appreciate all the spiritual and material bounties that contribute to our happiness and well being. And offer the hope that next year brings even more.

SPECIAL NOTICE

PLEASE REMEMBER THAT ALL MEMBERS OF THE OSA, AS ALL PEOPLE WHO USE THE FACILITIES AT OWASIPPE, ARE SUBJECT TO THE RULES AND REGULATIONS OF THE RESERVATION AS SET BY THE CAMP DEVELOPMENT AND PROPERTIES COMMITTEE AND THE RANGER STAFF. WE ARE THEIR GUESTS. YOUR INDIVIDUAL ACTIONS CAN DIRECTLY REFLECT ON THE OSA AS AN ORGANIZATION. SO, HAVE A GOOD TIME, BUT BE COURTEOUS AND...BE A GOOD SCOUT!

[JEWEL SHOP N SHARE: Nov. 12-13-14]

In our last issue, we reported on Bill Lotter's move to Oklahoma and his re-employment in Tulsa. Now that the family has accompanied him out there and the dust has begun to settle, Bill felt that it was time to decide on more of a permanent residence. So, as fate would have it and as his keen eye discovered, a new home was established at (Who would have guessed?) Owasso Oklahoma! How appropriate!

The Owasppe Lodge Order of the Arrow has planned its annual banquet for Thursday, December 27, at The Mayfield (Archer near Central). The ticket cost is \$8.50. Reservation forms are available at the Council Service Center by calling 559-0990.

A big welcome goes out to one of our newest members, Kurt Kogler, who also recently moved back to the area with his family. The Kogler homestead has been set in Lockport while Kurt conducts his career as an accountant for Sears Roebuck & Co. He served on the aquatics staff at Camp Blackhawk during the early 70s and was noted for his tenacity during staff intermural water polo tourneys.

Another new member, Stephen Horvath III, is pursuing a legal career on the East Coast where he is employed as a judicial clerk in the federal circuit court of appeals in Richmond, VA, where he also resides. He recently passed

the Virginia bar exam and is a graduate from the law school of William and Mary College.

A "job well done" goes out to John Kennedy who directed a Troop Leader Training course at Hoover Scout Reservation in Yorkville, IL, this past summer. The course is again scheduled to be held there again in 1985. John also works actively with the Owasppe Lodge Order of the Arrow as an associate advisor. He is a teacher with the Chicago Public Schools.

CONGRATULATIONS

Our best wishes go out to Tom and Eileen Crissey on their firstborn, Michael Garrett, who came on board September 10 checking-in at 8 lbs. 15 oz. and 22-in. long! The Crisseys reside on the northwest side of Chicago. Tom still maintains an interest in the affairs of Owasippe exemplified by his active participation on the camp trail committee whose work goes on.

WELL, WHADDYA KNOW? A surprise announcement has been heralded from the mid-section of Michigan where Scott "Stretch" Weber will be marrying Cynthia Harris on December 1 in Grand Rapids. Miss Harris is to be commended on her capture of the elusive bachelor who was one of the founding directors of the Association. Great going and best of luck!

OSA NUPTIALS:

- ... Vicki Accardi and Scott Erwin on June 9 in DeKalb, IL. Vicki is an instructor for the hearing-impaired at Northern Illinois University.
- ... Rudy Pesut and Maggie Beshensky on June 23 in Milwaukee. Rudy is employed by Inland Steel, and they reside in Griffith, IN.
- ... John Weiss and Mary Deganhart on August 25 in Ft. Morgan, CO. John is a ranger for a state park just outside of Denver. They reside in Aurora, CO.

Congrats to Mike Campbell on his first employment in the education field as a math and chemistry teacher for Luther East HS in Lansing, IL. He also works as an advisor to their yearbook. Mike recently served at Owasippe as the Senior Commissioner at Camp

Wolverine and presently is the OSA membership chairman.

The Weather Channel, a 24-hour cable television show dedicated to local and national weather forecasts and features, recently sponsored a photo contest with the theme of "How Your Pet Copes With The Weather". One of the finalists was Edgar Wolff-Klammer and his beagle, Butch. The televised photo showed Butch slurping some cool refreshment from an outdoor water fountain. Edgar works for United Laboratories and resides in Skokie.

It's been said that Mike O'Reilly runs one heckuva road ralleye as was evidenced on September 29. 7 cars and 14 people participated in a vehicular adventure that moved through the Southwest Side and the Forest Preserves ending at Bull Frog Lake. It lasted 2 hours.

PROGRAM DATES

Staff Week	6/23 to 6/29
1st Period	6/30 to 7/6
2nd Period	7/7 to 7/13
3rd Period	7/14 to 7/20
4th Period	7/21 to 7/27
5th Period	7/28 to 8/3
6th Period	8/4 to 8/10
7th Period	8/11 to 8/17

The above schedule reflects a revision from years past in that the periods have been set later by one week. This was done out of concern for conflicts with school calendars particularly that of the Chicago Public Schools. This schedule is also more similar to the one used predominantly in the early 70s.

Camps Blackhawk, Carlen, Wolverine and the Lone Troop camps will run with standard Scout programs for seven periods while Camp Crown will perform the same for the first five. The 6th period at Crown has been reserved for a special Explorers Camp. The 7th period at Camp Carlen will host Webelos Scouts and their fathers.

CAMP JOBS

Applications are now being accepted for the '85 camping season. Commissioner and departmental director positions are open in all facets of the reservation operation. Interviews have been set for two Saturdays, November 24th and February 9 from 9am to 12 noon. Staff appli-

cations are available at the Scout Service Center, 730 W. Lake Street in Chicago, or by calling 559-0990.

In conjunction with adult positions, eligible candidates are being sought as Staff Apprentices and Associates. Apprentices must be 15 by the start of camp and Associates, 16. Both involve a highly intensive training schedule beginning with staff week and continuing through 7th period. Apprentices are rotated to new positions and locations every two weeks in an attempt to learn of new experiences and skills. Even though they are not salaried, Apprentices are provided with complimentary housing, meals, transportation and other amenities. They and the Associates are orientated and screened at a special shakedown weekend at Camp Kiwanis in the Spring. Associates do receive a stipend but specialize in one skill and camp. For the Apprentice position, Star Scouts with a long-term camping history are preferred.

85 REGISTRATION

For the first time in well over 10 years, there will NOT be an increase in the section camp Scout fees. It will remain at \$75 per week. Lone troop, leader, and family camp fees are currently under study.

Camp site requests (2 preferences) may be submitted by units with a reservation for a minimum of eight Scouts at \$5 per Scout per week. The remaining fees are due on April 1 and June 1. Final site assignments

will be made by the camp administration and will take into account three factors: number of attending Scouts and leaders, camp site capacity and limitations, and the overall condition of the site. This is being implemented out of concern for the conservation of the camp's natural resources and for the optimum usage of camp equipment and staff.

Population limits per camp have been set as follows:

Blackhawk....	300	campers
Carlen.....	250	"
Crown.....	250	"
Wolverine....	250	"

OUTPOSTS 84

According to reported attendance figures, the following '84 program outposts at Owasippe were ranked in order of greatest usage:

1. Horse Corral	1,218
2. Sailing Base	1,202
3. Basic Fishing	353
4. Wagon Trail	331
5. Survival	306
6. Indian Lore	235
7. Frogman	210
8. C.O.P.E.	200
9. Bass Fishing	88
10. Lumber & Logging Co.	65
TOTAL ATTENDANCE	4,208

Camp Blackhawk provided 35% of the total participants or 1,471. Camp Wolverine provided 24%...990.

SENIOR CITIZEN'S CAMP is set for August 18-23 at the Reneker Family Camp. Hosts for the '85 session will again be Frank and Jo Ann Accardi. As with the two prior years, many events and activities are planned (See pg 8).

WINTER ACTION

Due to an unfortunate set of circumstances, the Guest Lodge and Staff Village will be closed to use during the Winter months, both to unit and family usage. Social service laws were revised for the State of Michigan affecting all youth agencies, Owasippe not being exempted. Under these changes, 14 to 15 violations were cited on the Guest Lodge as a youth facility. The solution to this problem (in upgrades) was determined to be too expensive. An additional problem then occurred with being able to run the Guest Lodge and staff village on a family-rental basis only, and it was determined by the Council Camp Development and Properties Committee that it would be uneconomical to do so. Therefore, those buildings have been totally winterized already.

However, those individuals who would still like to enjoy the winter wonderland of Owasippe via snowmobiling or cross-country skiing may still do so by first checking-in with the property super, Ed Hoolehan, to secure permission. More-than-adequate housing is available in nearby Whitehall at fees under what was being charged for cabin rentals at the camp...and with more amenities.

The reservation is quite scenic during the winter months and takes on a completely different appearance from what you may have been accustomed to. It's worth the trip up! For those of you who seek to venture north to Owasippeland, useful referrals are provided on the next page for your convenience:

A marked cross country ski trail
starts at Ad Center and traverses
throughout the Wolverines. It
was laid out by a Muskegon doctor.

The weather was super, as it always
is at Owasippe - not even one day of
"heavy dew".

This year, there were 40 seniors
compared to the 16 we had in '83.
There were people from Alabama,
Indiana, Illinois, Ohio and Wiscon-
sin. The Illinois bunch were from
various suburbs such as Northbrook,
Evanston, Berwyn, Brookfield, Lyons,
Oak Lawn and LaGrange as well as
Chicago. Lasting friendships were
made and, on the day of departure,
many hugs, kisses and tears were
shared with promises of "See you
next summer".

On check-out, twenty had paid their
deposit for Senior Week '85, so we
are really anticipating a larger
group next summer. It's expected
that the fee will be \$88 per cabin
for the week plus \$44 for each ad-
ditional person. This includes a
daily continental breakfast and a
Wednesday barbeque.

Interested individuals should call
Scout headquarters at 559-0990 and
make their reservations early! Con-
firmations will be on a first-come,
first-served basis. Inquiries can
be directed to the Host and Hostess
for '85, Frank and JoAnn Accardi, at
795-5132.

We sure would like to have you join
us. Try it...we know you'll like
it.

Seniors "Go For It"

August 12-17 was the 2nd Senior's
Week at Owasippe's Camp Reneker.
From check-in to the day of depar-
ture, the seniors really "Went For
It" and they took advantage of
every opportunity and activity
available.

The days just weren't long enough.
You could hear singing of old
Scout songs long into the night
from the various cabins. To name
a few things...there were various
tours, craft classes (for men and
women), daily exercise classes,
swimming, hikes, tennis, horse-
shoes (including a women's tourney)
fishing, bar-b-q, square dancing,
campfires, games, and a ride on a
paddle steam boat plus an electric
water show at Grand Haven, Mich.

CAMP LEADER SURVEY

Leader evaluations from Owasippe have been reviewed by the camp administration and indicate that 87.8% of the possible responses were more in favor of the conduct of the '84 operation than not. The ranking of 30 categories in terms of percentage of positive responses are shown. It should be noted that NONE of the categories had a larger number of negative comments than positive.

'84 YEARBOOK

Once again, the OSA is planning to publish a year/ad book for distribution at the March banquet and to all registered members. If you would like to announce an event, wish someone well, advertise for your firm, or merely introduce your profession/trade to your peers ...this will be a very good opportunity to do so. Four different ads are possible: business card, $\frac{1}{4}$ page, $\frac{1}{2}$ page, and full-page. An enclosed request form has the corresponding donations per ad type. By all means, ask a friend, relative or a business to submit one as well. The more ads...the more versatile and extensive will be our book. 53 ads were in last year's book. All advertisers will also be acknowledged in the Spring issue of "Vibrations" and will get a copy of the yearbook which will also salute Owasippe's "Diamond Jubilee".

BOARD ELECTION

Nominations are still open for the OSA Board of Directors and will remain so through the end of January. Nominees must (1) be currently registered, (2) have a sincere interest in and the time for actively serving the needs of the Association for three years, (3) have served on the summer camp staff of Owasippe for two years. Nine staff members comprise the OSA Board of Directors. Normally, there are only 3 director slots open each year with each position carrying a three-year term. With the February newsletter will be mailed candidate resumes and ballots for voting. All staff and associate members registered at the time of balloting may vote to fill the vacancies on the board. One last opportunity to help decide the leadership of the OSA will occur prior to dinner at the March Banquet. The board has the annual responsibility to pick the opera-

-ting officers: President, Vice-President, Secretary and Treasurer.

STAMPS FOR CAMP

Congratulations go out to Terri Horvath, Director of Camp Reneker, and to the Family Campers for their efforts this past summer in gathering 43 $\frac{1}{2}$ books of stamps for the OSA. According to the OSA Green Stamp Coordinator, Mary (Nedza) Pezdek, the OSA has a collection of nearly 75 books. The intent of the OSA is to use these stamps to supply the camping program with necessary tools or other implements. In past years, items such as lifevests, rakes and shovels have been purchased with greenstamps. So, while you're thinking of it, take out those few books or loose stamps that are hidden in your dresser drawer or in that closet and ship them off to the OSA's PO Box 7097 ASAP! They will certainly be put to good use. For further information on this program, call Mary at 780-6935.

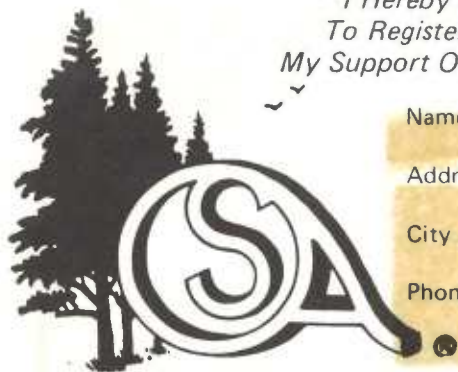

SHOP & SHARE

On November 12-13-14, Jewel and Eisner Food Stores will sponsor a shopping benefit for the OSA...just in time for the Thanksgiving festivities. We hope you will think of the Association and remember to bring along the enclosed benefit slip on one of those dates. We also welcome the participation of your family and friends. 5% of the pre-tax bill will be donated by the store to the OSA. As in the past, benefit proceeds will be used to help our efforts in supporting the camping program and to offset any other operational expenses. To date through other benefits, we have earned \$256.

Our return could be healthier with everyone's support. Beside Jewels, we will have another Dominick's shopping benefit scheduled for December 17-18-19. KEEP US IN MIND!
